## Norfolk Island

Norfolk has a unique beauty of its own, with its renowned tall majestic pines, sheer cliff faces, coral reefs and beautiful beaches. Almost one third of the island is devoted to National Parks and Reserves.

But Norfolk Island is far more than a picturesque island in the South Pacific, it is paradise with a past. Elegant convict-built Georgian buildings are still in daily use and the Kingston and Arthur's Vale Historic Area (KAVHA) is now World Heritage Listed as part of the Australian Convict Sites inscription. What was once a convicts settlement is now the tranquil home of the descendants from the famous Mutiny on the Bounty, who have their own unique culture and their own language.

There is much to see and do on Norfolk Island including: golf on an incredibly scenic course beside the sea, fishing, sea kayaking, edible gardens & eco tours, art galleries, bushwalking, glass bottom boat coral reef trips & Philip Island trekking, golf, bowls, tennis, squash, yoga, kayaking, swimming, snorkeling, and much more.

Take advantage of Norfolk's bargain shopping or perhaps simply take some time out to relax and enjoy Norfolk's peaceful existence.
