

## HOWE PARK – April 11-12, 2015

The grass courts were in good condition, enabling some close matches to be played out on both days. Around 80 players were kept busy, with organisers Mark Rix, Craig Miles and Coach Gary Brenton participating in Men's Doubles as well.

Making a come-back were Roger Brittain and Mike Hook (after surgery) as well as Greg Winston, who has taught himself to play left-handed – and all of these gentlemen were in the Winners' list! A cloudy Saturday was followed on Sunday by brilliant sunshine, and everyone was happily enjoying the summery conditions!

A torn "hammy" kept Annabel Jones pretty quiet on Saturday, and Julie Andrews made her partner try too hard in the Sunday Mixed – which forced him to retire hurt with a similar injury. Otherwise, we can say the weekend went well, and the award for expert making of sandwiches goes to Craig Miles, who kept the hungry mouths fed both days. Thanks guys, we'll be looking forward to next year!
