114 players converged on Leumeah for this annual NRT, a higher number than ever before! Congrats to Michael Jackson for a very well-run and enjoyable tournament for all concerned. The rain delayed play in the Singles on Saturday morning, but after that, all events were uninterrupted.

Players from as far away as Taree and Old Bar enjoyed “mixing it” with those from Wollongong, Eglinton, Cessnock, Canberra, Emu Heights, Glenmore Park, Rankin Park, Queanbeyan and many parts of Sydney.

Jo, Rebekha and Cathie made it an ideal opportunity to “catch up” since they all live far away from each other! It’s lovely to see such friendships developing as a result of our tournaments. Myra, Chris and Louisa too!

Plus, it was wonderful to accept many new members into our ranks! Many thanks to Steven Thorne for “putting it out there” to attract many new players.
