All players are required to enter online or by completing and submitting the entry form via fax or post by the due deadline (28 September). **No player, including team players, may arrive on site and expect to compete without having entered by the due deadline and having paid their entry fee in advance. It is in the responsibility of the player to ensure that the (online) entry procedure has been successful and that his/her name appears on the official entry list before expiry of the entry deadline. Postal entries must have reached the ITF office by the entry deadline.**

MAIN DRAW SINGLES EVENT

The Main Draw is scheduled to commence on Sunday 8 November 2009. **All players must be available to play on this date if required.** Players must note that if they receive a bye in the first round they may not be required on the first scheduled day. Every effort will be made to avoid requiring a Super-Seniors World Team Championship competitor to play on Sunday 8 November, but this cannot be guaranteed. **Shortly after the entry deadline on 28 September, the provisional start day for each single event will be announced on the ITF Seniors website.**

DOUBLES ENTRIES

NEW PROCEDURE SINCE 2008: DOUBLES ENTRIES WILL CLOSE ON MONDAY 28 SEPTEMBER. THERE WILL BE NO SIGN-IN ON SITE AND ALL PLAYERS WISHING TO PLAY DOUBLES MUST HAVE ENTERED BY THE ENTRY DEADLINE.

All players are required to enter online or by completing and submitting the entry form via fax and post by the due deadline (28 September).

PLAYERS ENTERED IN DOUBLES WITHOUT A PARTNER HAVE UNTIL 19 OCTOBER 2009 TO MATCH UP AS DOUBLES PAIRS WITH OTHER PLAYERS ENTERED IN DOUBLES WITHOUT A PARTNER.

It is the player's responsibility to find a doubles partner. The ITF will not match any players to form a doubles pair.

It is in the players' and the partners' responsibility to ensure that a nominated doubles partner is entered in the Championships. If one of the players has not entered, that doubles pair will not be accepted.

After 19th OCTOBER, it will only be possible to change the doubles partner due to injury. The newly found partner must have already entered the doubles event. It is not allowed to break up existing doubles pairs in order to find a replacement for an injured partner.

In order to assist players without a partner in finding a suitable doubles partner, event entry lists will be published on a regular basis on the ITF Seniors website from end of July 2009 onwards. Participants also have the option of authorising the ITF to release some of their personal data (telephone number/email address) to other participants who wish to get in touch with them.

In order to use this service, participants simply need to agree to the "Doubles Release" option on the Online Entry Form or tick the Doubles Release Box on the Player Release Form (page 6 of this Fact Sheet).
