

SELECTION OF SENIORS AUSTRALIAN TEAMS FOR THE ITF CUPS, SAN DIEGO, 2012

The ITF has officially informed countries of the starting date for the ITF World Seniors Teams Championships to be held in San Diego, 2012. The Teams Championships will commence on February 6th and will be followed by the World Individual Championships.

Because of the earlier than usual date for the start of these Championships, consideration is given for earlier selection of teams. After consulting with some selectors, the executive has decided that teams will be chosen after the TSNSW State Championships in October and will be announced by the end of October. This will allow players reasonable time to arrange accommodation and booking of airfares and allow adequate time for the completion of administrative requirements.

Players interested in nominating for team selection can do so at the www.92computing.com.au website. The closing date is MONDAY, OCTOBER 10, 2011.

Teams will be chosen predominantly on player performances in nationally ranked tournaments conducted since and including the Australian Championships held in Newcastle, 2011.

As players will need an IPIN to play sanctioned ITF events in 2012, all players are encouraged to purchase an early bird IPIN offer before nominating.

During 2011, the selection criteria are being reviewed. Any person wishing to make a submission should do so by sending their comments as soon as possible to the secretary who will pass them on to the relevant committee for consideration. The reviewed criteria will be available by early July.
