

TENNIS SENIORS AUSTRALIA

THE INTERNATIONAL PLAYER IDENTIFICATION NUMBER (IPIN) 2012

Recently, the ITF announced that registration for **the IPIN** will be a requirement for players participating in all sanctioned ITF tournaments from January, 2012.

If players register with the ITF between mid May and the 31st October, 2011 the IPIN will be FREE for the 2012 year. Players who register from the 1st November will pay \$US20 for the 2012 year.

Recently, the ITF released the following.

'We have made some changes to the structure of the IPIN annual membership fee which we trust will be well received by players and tournament organisers:

- From May to October 2011, IPIN membership valid for the 2012 season will be free;
- From November 2011, players registering for IPIN membership valid for the 2012 season will pay US\$20.00 ;
- From November 2012, players registering for IPIN membership valid for the 2013 season will pay US\$30.00;
- Any player competing in only one ITF Seniors Circuit tournament in 2012, either singles or doubles/mixed doubles, will not be charged for their IPIN membership in 2013.

We will make best efforts to communicate the above news to players and tournament organisers.'

When registration is open on the ITF website, instructions on how to register will appear on the TSA website with a direct link to the ITF website.
