

ITF sanctioning for WA Champs 2012

Tennis Seniors Australia are very pleased to report that the ITF has approved the Tiger Turf State Championships for 2012, as an ITF 5 event. There had been some doubt about the status of this tournament due to confusion about the submission of the original application by closing date. However the ITF have agreed to placing it on the calendar as a sanctioned event, despite the late submission. Vice-President Enid Besant-Ryan, who is now looking after all ITF related matters on behalf of TSA following the retirement of Tom Hancy, commented that she was delighted that it has been accepted as it gave our WA players an additional opportunity to score world ranking points.

The tournament will run at Robertson Park from the 5th to the 13th October. Any enquiries can be directed to Kevin Fletcher on 0439 772509 or info@tenniseniorswa.com.
