

## New Teams event in Bunbury WA

Bunbury Tennis Club, with 28 magnificent grass courts, hosted a new Teams Carnival recently with 23 teams and over 100 players competing in various age brackets and divisions for the titles of Bunbury Team Champions. Phil Wright and Jeff Glossop did a wonderful job of organising this first-time event. With fantastic weather over both days, the teams played a round robin format with finals held on the Sunday afternoon. This new event was a great success, so thanks are extended to all those who supported it, and to TSWA for their encouragement and initiative.

Many people enjoy playing a team sport (as is evidenced by the wonderful success of Berri in South Australia) and choosing their own team members. This event gives that opportunity to socialise as well as participate at all levels. Many players took the opportunity to play with members from other clubs which added to the appeal. Over 50 people attended the dinner on Saturday night at the club house. This event will be held on the first weekend in May each year and we look forward to seeing it go from strength to strength.
