

Magical Figures for Kerry Ballard

February 6, 2019

The latest ITF Seniors World Rankings has Kerry ranked No 1 in singles, doubles and mixed in the 70s age group. A remarkable achievement. These numbers are well deserved after a successful 2018 year and topped off with wins in the singles, doubles and mixed at the recently completed Australian Championships in Shepparton. Kerry was also inducted into the Australian Seniors Tennis Hall of Fame. Congratulations Kerry.
