

## Notification email from the ITF Seniors Department

18 March 2020

As you will be aware, last week we announced the postponement of all ITF events up until at least the 20 April and we continue to assess the potential impact of the COVID-19 outbreak on all our events in consultation with independent medical and travel advisors. We are committed to making decisions based on expert advice to ensure the health and safety of everyone involved in our events, while providing as much certainty and notice as possible to minimise disruption.

The ITF is therefore unfortunately taking the precautionary measure of postponing the ITF Seniors (50-55-60) World Team & Individual Championships in Boca Raton/Palm Beach Gardens, USA originally scheduled from 26 April – 9 May 2020. We realise this is a very disappointing situation for players and officials but believe this is the necessary course of action in the circumstances. We are advised that the travel restrictions currently in place for non-U.S nationals wishing to enter the United States may be extended further, and that additional control measures could lead to the cancellation of events in the U.S at short notice.

The ITF, USTA and host organisers will make every effort to re-schedule the ITF Seniors (50-55-60) World Team & Individual Championships in Boca Raton/Palm Beach Gardens, USA at a later time this year provided a safe, viable date can be identified. Further updates relating to this will follow in due course.

Players who have entered the ITF Seniors (50-55-60) World Individual Championships in Palm Beach Gardens will be withdrawn from any entered events and a full refund of entry fees and IPIN fees will be processed to the original card used within the next 48 hours. The refund should be received shortly after this, however the exact date will depend on your credit card cut-off date. If you have any queries, please email [Seniorswc@ITFTennis.com](mailto:Seniorswc@ITFTennis.com)

Regards,

ITF Seniors Department
