

## MAJOR SPONSOR SECURED FOR “Q18”

The Organising Committee for Q18 (the Australian Seniors Teams Carnival and Individual Championships) to be held on the Gold Coast in January 2018, is very pleased to advise that a major (and naming rights) sponsor has been secured for the event.

Since 1949, Niagara Therapy has had a very proud history of helping people of all ages gain improvements in their health and mobility using their Cycloid Vibration Therapy (CVT) devices. People from all walks of life and abilities use Niagara’s unique therapy regularly, for benefits such as:

- Increasing blood flow
- Reducing swelling
- Improving muscle/joint stiffness and soreness
- Assisting the body with healing and injury management

The Q18 event will therefore be titled **“The Niagara Australian Seniors Teams Carnival and Individual Championships”**. Niagara will have product on display at the event, and will invite players and guests to enjoy a complimentary treatment. Find out for yourself how Niagara could help you “Feel, Move & Live Better”!

As the human body ages, we all face increased challenges in maintaining a quality of life that allows us to pursue interests such as playing sports, travelling and spending time with family. Niagara allows each individual an opportunity to easily provide a relaxing therapy for their body on a daily basis in the comfort of their own homes. They are very excited to begin working with Seniors Tennis players of all ages to “Feel, Move & Live Better” while still enjoying the game they love so much.

With complimentary treatment demonstrations, a chance to win a \$10,000 Cruise Voucher or Cash and Therapy Consultants on hand to provide advice, Niagara is fully committed to making the 2018 event one to remember.

The Organising Committee thanks Niagara for their support, and we encourage players and guests to visit their display at Q18, and find out more about the benefits of their equipment and treatments.

SINCE 1949
