Dear David

The Gardens Tennis Club Committee (the Committee) received your correspondence on behalf of Tennis Seniors NT, on 5 March 2022, requesting for the Committee 'to apply for funding to develop a new masterplan for Gardens Tennis Club which makes provision for two artificial grass courts.'

Your correspondence was tabled and discussed at the Gardens Tennis Club Committee meeting on Monday, 7 March 2022.

The Committee wrote to Tennis Seniors NT following your delegates' presentation to the Committee in 2021, which included:

- confirming shade has always been included as part of the professional masterplan, and
- advising a full reconstruction, undertaken at one time, will be more cost effective and less disruptive.

The Committee remains unanimous that the focus remains on ensuring the Club continues to be a viable and inclusive facility for all players.

Kind regards

Ruth O'Brien
President on behalf of the Gardens Tennis Club Committee
