DEATH OF JOHN E WALKER, QTS

It is with great regret that we learn of the death of John E Walker, a familiar face at every Queensland tournament and most Australian Championships, at least to my knowledge, over the past ten years. John was a pleasant and amiable character who enjoyed his tennis and the company of other people.

I am sure that many others knew John better than me, but we always seemed to spend several hours talking about all manner of things at tournaments and always about some aspect of tennis. I came to know John very well over the past ten years; I know John loved his tennis and always looked forward to seeing and meeting others. He loved the company of other players. A quiet and gentle man, he will be missed by the many, many players who greeted him daily at tournaments.

To Donna and John's families, Tennis Seniors Australia express the deepest condolences of all members. He will be sadly missed.

Please see the TSQ website for funeral arrangements.
