

ADVERTISEMENT FOR OFFICE BEARERS 2011

Would all Divisions please note that the advertising of the AGM has been on the website since Sept 18th together with the call for nominations for positions on the National Executive. Also, all Divisions received this information at the same time.

Denis Colette, Tom Hancy and Bruce Osborne are willing to serve again and continue their work on the executive providing the Divisions and delegates are in accord with what they are doing.

Furthermore, I wish to advise that both Brian Dew (Vice President) having completed the FIVE years allowed under the constitution and Barbara Mathews (after SEVEN years as Treasurer) are retiring and will not seek re-election.

I encourage those members who would like to serve the Association as an executive member to offer themselves for election. Please note that as an executive member internet connection and reasonable IT skills are a necessity for electronic communication.

Nominations close December 15th, 2010.
