SECTION I
REGULATIONS FOR THE ORGANISATION OF SENIORS CIRCUIT TOURNAMENTS AND THE SENIORS/SUPER-SENIORS WORLD INDIVIDUAL CHAMPIONSHIPS

The following Regulations apply to all Seniors Tournaments in Grades A, 1 – 5 and, with some exceptions, to those in Grade B. These exceptions are given in Section II (ITF Seniors/Super-Seniors World Team Championships), together with additional clauses.

For all other Seniors Tournaments without an ITF sanction, whether listed in the Seniors Calendar or not, and for doubles events at Grade 1-5 ITF Seniors Circuit tournaments, these Regulations are to be regarded as guidelines to be followed in order to achieve desirable standards and uniformity for the benefit of Seniors players worldwide.

I. THE COMPETITION

1. Title
The Competition, an international singles competition, shall be called the "ITF Seniors Circuit".

2. Mission Statement
The ITF Seniors Circuit seeks to promote the growth, development and continuing interest in Seniors tennis through the conduct of international competitions at different locations throughout the world, which engenders good will between nations.
The ITF Seniors Circuit is comprised of the best international seniors tournaments staged by its Member nations worldwide including the annual ITF Seniors/Super-Seniors World Team and Individual Championships. National Associations are responsible for proposing tournaments for inclusion in the Circuit, subject to the final approval of the ITF Seniors Committee who govern the geographical distribution and grading of Circuit tournaments.
The ITF Seniors Circuit provides a platform for seniors players to measure their standard against players from other nations and by reference to the ITF Seniors World ranking, which determines the ITF Year-End No.1 player in each of the recognised age categories.

3. Ownership
The Competition shall be owned and managed by ITF Limited, hereinafter referred to as the "ITF".

Ownership shall include, but not be limited to, the following national and international rights: registered trademarks of the ITF; commercial exploitation of the event; television and radio, film and video recordings; plus new media and Internet coverage. In the case of the Seniors/Super-Seniors World Individual Championships, which are conducted by and under the direction and control of the International Tennis Federation, the Board of Directors may assign all or any rights to the host nation in accordance with detailed guidelines issued by the ITF consistent with these regulations.

4. Players Eligible
Only players who are under the jurisdiction of a national tennis association affiliated to the ITF may compete in any of the tournaments that comprise the 2011 ITF Seniors Circuit. They must be in "good standing" with their national association as defined in Appendix IV of the ITF Seniors Regulations.

5. Age Groups
Until otherwise determined by the Seniors Committee, the Age Groups to which ITF world ranking points will be awarded shall be:

Men		Women	
35 years and over	65 years and over	35 years and over	65 years and over
40 years and over	70 years and over	40 years and over	70 years and over
45 years and over	75 years and over	45 years and over	75 years and over
50 years and over	80 years and over	50 years and over	80 years and over
55 years and over	85 years and over	55 years and over	
60 years and over		60 years and over	

To be eligible to participate in any Age Group, a player shall have reached the minimum age limit by 31st December of the year in which the competition is held.

Accordingly, a player shall, if requested, present his/her passport or national identity card to the referee prior to the start of the competition.

A player may play in more than one Age Group and therefore may appear in more than one Age Group ranking.

6. Rules to be Observed

a) The Competition shall take place in accordance with these Regulations, the Constitution of the ITF Limited, the Rules of Tennis adopted by the ITF and the approved Code of Conduct.

b) In submitting an application, a tournament automatically undertakes to abide by and fulfil all its obligations under the above Rules and Regulations.

c) In submitting an entry to a tournament sanctioned by the ITF as a constituent tournament of the circuit, a player automatically undertakes to commit him/herself to abide by and be bound by the above Rules and Regulations and Code of Conduct.

7. Final Ranking

The final ranking, issued at the end of each calendar year shall be compiled on the basis of points earned for success in singles play in both individual and team events.

II. MANAGEMENT

8. Board of Directors

a) Management

The ITF Seniors Circuit shall be managed by the Board of Directors of the ITF.

b) Duties

The duties of the Board of Directors shall be:

i) to approve and adopt the Rules and Regulations and Code of Conduct for the Circuit;

ii) to resolve any dispute, controversy or other questions of interpretation in accordance with Appendix C of the Constitution of the ITF Limited;

iii) to register in the name of the ITF any trade marks in connection with the Circuit and to protect such trade marks;

iv) the Board of Directors shall appoint every two (2) years a Seniors Committee, which shall consist of a Chairman, who shall be a member of the Board of Directors, and further members as determined necessary.

9. Seniors Committee

The duties and powers of the Seniors Committee shall be:

(a) to manage the day to day administration of the Circuit;

(b) to ensure uniform application of, and compliance with, the Rules, Regulations and Code of Conduct;

(c) to administer the funds of the Circuit within the financial framework of the ITF;

(d) to report to the Board of Directors on all financial matters;

(e) to undertake other duties as laid down in these regulations;

(f) to submit regular reports to the Board of Directors,

(g) to decide any appeals or disputes in whatever manner they deem to be appropriate and whose decision shall be final and binding on all parties.

III. RULES OF THE CIRCUIT

10. Tournament Application and Approval

Applications for inclusion in the Circuit, giving full details of new or existing tournaments, are to be sent to the ITF, or as otherwise directed by the ITF, in accordance to the following:

a) Applications from tournaments taking place from January to March must be received by 30 June of the year prior to that in which the tournament is planned to be held. Applications from tournaments taking place from April to December must be received by 31 August of the year prior to that in which the tournament is planned to be held.

b) Only tournaments organised by a National Association, or sanctioned by the National Association concerned will be considered for inclusion.

c) All tournaments awarded ITF status will start at Grade 5 level in their first year on the Circuit.

d) The ITF reserves the right to refuse any application or to insist on an alternative date. This rule applies in particular if a tournament conflicts with the ITF Seniors or Super-Seniors World Championships, especially when such tournament occurs within the same continent or holds Grade 1 or Grade 2 status.

e) The fact that a tournament is included in a series or a group of tournaments does not automatically entitle the tournament to be part of the ranking circuit, even though other tournaments of the same series have been accepted.

f) If a tournament is included in the calendar and subsequently withdraws within three months of the scheduled first day of play, that tournament may not be accepted for the following year or may be downgraded, at the discretion of the Seniors Committee, unless there are exceptional circumstances. These tournaments must still pay the full amount of the sanction fee, as outlined in Rule 11 below.

11. Sanction Fees
All tournaments on the ITF Seniors Circuit must pay the relevant fee below in order to be included on the Calendar.

Grade B1	$ 915
Grade 1	$ 715
Grade B2	$ 680
Grade 2	$ 480
Grade C2	$ 410
Grade B3	$ 560
Grade 3	$ 360
Grade C3	$ 330
Grade 4	$ 245
Grade 5	$ 175

12. Application to host the Seniors/Super-Seniors World Individual Championships
Any National Association wishing to stage the above Events shall submit its application in writing by the published deadline on the approved form provided by the ITF.

The ITF will give priority to bids offering to host both the ITF Seniors/Super-Seniors World Team Championships and the ITF Seniors/Super-Seniors World Individual Championships in the same year, in two consecutive weeks, in the same country.

13. ITF Responsibilities
The ITF is responsible for the overall administration of the circuit and shall do its utmost to ensure that the calendar is widely publicised.

The ITF shall process results from all the tournaments on the Circuit and shall issue, on a monthly basis or as otherwise determined by the ITF, the latest world ranking points accumulated by competitors. These shall be circulated to the international press, National Associations, Seniors Associations, tournament organisers and on request to other interested parties.

14. Tournament Responsibilities
All tournaments must be played in accordance with these Regulations, the Seniors Circuit Code of Conduct, the Constitution of the ITF Limited and the ITF Rules of Tennis.

Tournaments must have internet access on site for the use of the Referee.

15. Match Format
Matches must be played over the best of three tiebreak sets on a knockout basis. The seven (7) point tiebreak shall operate at six games all in each set.

In the men's 85 and women's 80 events, should the score reach one set all, tournaments are given the option of playing one (1) ten (10) point tie-break game to determine the winner. Tournaments choosing to employ this rule must request approval from the ITF, inform all players before the start of the event and indicate their decision on the tournament Fact Sheet.

In the event of a ten (10) point tie-break game being played to determine the winner, no rest shall be taken after the second set.

In all Grade 1-5 tournaments, all seven (7) point and ten (10) point tie-break games shall be played as Change of Ends tie-break game with players changing ends after the first point and thereafter after every four (4) points.

In the event of unavoidable disruption to a tournament, such as bad weather, should the score reach one set all, the tournament committee may decide that one (1) ten (10) point tie-break game only shall be played to determine the winner in the other age categories staged, or alternatively adopt any of the approved alternative methods of scoring as laid out in the Rules of Tennis, adopted by the ITF.

16. Tournament Grading
Tournaments shall be graded based mainly on a computer evaluation of the standard of participant competing in the previous year's tournament. A geographical balance should be maintained wherever possible.

17. Method of Ranking
To be ranked in singles a player must reach a round where points are available (see points tables below). The number of points available will vary dependent upon the grading of the tournament and the round reached.

The official published rankings will be calculated on a 52-week rollover system and published on a monthly basis, or as otherwise determined by the ITF. At any given time, however, only the latest ITF Seniors and Super-Seniors Championships will count for ranking purposes.

The best four singles results in ITF Seniors Circuit Tournaments listed in Grade A, Grade B and Grades 1-5 will be taken into consideration for the ranking.

If two or more players receive the same number of points, their ranking will follow the number of points they scored in Grade A tournaments. If two or more players are still equal, their ranking will follow the number of points they scored in Grade 1

tournaments and so on down to Grade 5 tournaments, excluding Grade C (ITF Team Competitions).

When players qualify for a new age group, they shall carry over all ranking points to the new age group. These players shall be marked as *"bis"* on all ranking lists and should be considered for seeding along with other players in that age group. *"Bis"* will continue to be displayed until points won in the previous age category no longer count towards the Player's ranking. In the case of a player moving from Seniors to Super-Seniors, points won at the latest ITF Seniors World Championships the player played either in the previous or the current year shall count for ranking purposes.

18. Allocation of Points

Ranking points will be awarded as set out in the points table below (Rule 19).

a) Knockout Competition

i) Points shall be awarded for main draw singles play only, with the exception of the Seniors/Super-Seniors World Individual Championships, where points will be awarded for consolation events. No points will be awarded to a player until he/she has won a round. Walkovers will be counted as a match won.

ii) Singles draws shall have a minimum of eight (8) players to enable players to qualify for points.

If too few entries are received then tournament organisers should choose to either:

a) Merge age categories to enable competitors to gain world-ranking points (see part iv below).
b) Hold a Round Robin competition in the relevant age categories.

iii) If a tournament is abandoned, players will receive points for the round reached up to that point.

iv) Should any age group in an ITF Seniors Circuit event be amalgamated with a lower age group event, and players in the former be forced to play down, then those players shall be awarded points in his/her own age group provided that the date of birth of the player winning points is known.

v) If a late withdrawal affects the minimum number of players needed for ranking points in a knockout competition, then points will be awarded as if a round robin event was played.

b) Round Robin Competition (Grade 1-5 events only)

i) Format of Play

- In cases where there are 3-5 players, one Round Robin group shall be played.
- In cases where 6 or 7 players are involved, tournament organisers may decide whether to hold:

a) One Round Robin group to include all players
b) Two smaller Round Robin Groups followed by semifinals and/or a final between the top players in each group (see part iv below)

In cases where there are eight (8) or more players a knockout draw must be played. Please note that Round Robin groups must contain a minimum of three players.

ii) Method of Determining Positions in the Round Robin

Final positions shall be determined according to number of matches won, with the player who has won the most matches being declared the winner.

If two players win the same number of matches, the head-to-head result between these players shall decide the winner.

If three or more players win an equal number of matches, the following procedure shall be used:

a) The percentage of sets won of sets played shall decide the winner.
b) If percentage of sets won is equal, the percentage of games won of games played shall determine the winner.

When three or more players are tied, head-to head results are never used to determine the positions in the group.

If any match is stopped and not completed for reason of injury etc, the full score shall be recorded. Example: Player A leads Player B by 6-1 2-0 when Player B is injured and retires. Player A's victory shall be recorded as 6-1 6-0.
If a match is a walkover the score shall be recorded as 6-0 6-0.
Please note that this only applies to Round Robin events and not to knock-out draws.

iii) Seeding of Players in Two Round Robin Groups

The top two seeded players shall be placed in separate Round Robin groups. All other players shall be drawn by lot. If there are seven entries and one Round Robin group is larger than the other, the number 1 seed shall be placed in the larger group (four players).

iv) Knockout Competition (where two Round Robin groups have been played)

Upon completion of the Round Robin competitions the top two players in either group shall enter into a knockout competition:

Semifinal 1: Winner Round Robin group A vs Runner-up Round Robin group B
Semifinal 2: Winner Round Robin group B vs Runner-up Round Robin group A
Final: Winner semifinal 1 vs Winner semifinal 2

Points shall not be awarded for any other matches (for example a 3rd place play-off). At the discretion of the organising committee, semifinal matches may be omitted, with the top player in each group advancing directly to the final.

v) Points for main draw knockout matches shall be allocated according to the same criteria as the Round Robin competition.

For the purpose of leaving the tournament site for a reason of injury, the tournament doctor or the physiotherapist/athletic trainer (if available) or any other medical technician must issue a medical certificate or written statement if requested by the tournament referee.

23. Insurance

Each player is responsible for ensuring that he/she (as well as any accompanying person) is fully and adequately covered by medical and travel insurance for the purposes of attending and participating in ITF Seniors Circuit events and ITF Seniors & Super-Seniors World Individual Championships. The ITF Ltd, the host association and the host site cannot accept any liability for any participant or visitor in this respect.

24. One Tournament per Week

Players may not enter or compete in more than one tournament per week. Players found to be in violation of this rule will not be eligible to win points at either tournament and may be subject to the ITF's Code of Conduct procedures (see Section V).

25. Number of Entries

Main draw entries shall be limited in accordance with the availability of courts and time. Draw sizes at the ITF Seniors World Individual Championships shall be limited at the discretion of the ITF.

26. Qualifying and Consolation Draws

a) Qualifying Draws

In the event that too many entries are received for the main draw, a qualifying event for local players shall be held. The organising committee has the right to restrict the number of players in qualifying.

b) Consolation Events

The organising committee shall make every effort to hold, if time permits and courts are available, the following events, which do not qualify for world ranking points (with the exception of the World Individual Championships):

i) Singles events for each age group or combined age groups for all players losing in their first match in either the first or second round. Matches shall be played as two tie-break sets and a ten (10) point tie-break game instead of a third set, unless otherwise decided by the tournament committee.
ii) Any other form of consolation, including feed-in and modified feed-in for singles and/or doubles.
iii) Consolation draws at World Individual Championships shall follow the same seeding provisions as indicated in regulations 29 and 30.

Advancement to the second round by virtue of a bye in a player's first main draw match shall not count as a match won for the purpose of eligibility to participate in the consolation event.

Advancement to the second round by virtue of a walkover in a player's first match shall count as a match won for the purpose of the consolation event in the ITF World Individual Championships only.

However, a player having advanced to the second round by virtue of a walkover losing his/her first match in the second round at the ITF World Individual Championships may chose to forfeit the world ranking points gained due to advancement to the second round by virtue of a walkover and thus become eligible to participate in the consolation event.

27. Acceptance of Entries

Unless otherwise agreed by the ITF, entries shall be accepted in the following order:

a) Seniors/Super-Seniors World Individual Championships

(i) ITF Seniors World Ranking
(ii) Other players from outside the host country, as agreed by the ITF
(iii) Other players from the host country, as agreed by the ITF

b) Grade 1-5 Events

(i) ITF Seniors World Ranking
(ii) Any other relevant information available to tournament organisers.

c) National Closed Championships may choose to implement different criteria for acceptances (see Appendix I)

28. Wild Cards

Wild Cards are players that are included in the Main Draw at the sole discretion of the Tournament Committee. They may be seeded and must be named at the time the draw is made. Wild Cards who withdraw may not be replaced with new Wild Cards after the appropriate draw is made.

Any such vacancy shall be filled by the next eligible player on the Acceptance List, or if the Qualifying competition has commenced, it shall be filled by the eligible Lucky Loser drawn at the same time as the Qualifiers.

No player who has signed in for and been accepted into the Qualifying of the tournament may be named as a Wild Card after the Qualifying competition has commenced.

The following maximum number of Wild Cards can be included into a Draw:

Draw size	8	16	24	32	48	64	96	128
Wild Cards	1	2	2	6	7	8	8	8

29. Seeding

Seeding at Seniors/Super-Seniors World Individual Championships and Grade 1-5 singles events shall be based on the latest available ITF Seniors world ranking and strictly in world ranking order.

However, if found necessary by the tournament committees of both World Championships and Grade 1-5 events, the following number of players can be included in the seeding as exempt seeds as indicated below:

For a draw-size of 128 - up to 4
For a draw-size of 64 - up to 4
For a draw-size of 48 - up to 3
For a draw-size of 32 - up to 2
For a draw-size of 24 - up to 2
For a draw-size of 16 - up to 2
For a draw-size of 8 - up to 2

These players could be either ranked or unranked in the ITF Seniors World Ranking.
In order to determine their position within the seeding list, the following should be considered: players' head to head, players' national rankings and/or any other relevant information available to the tournament committee. If requested, the tournament committee must provide an explanation of the selection of seeds.

When doing the seeding for amalgamated draws the ITF Seniors World Ranking of the youngest age category of the draw shall be used. Players from higher age categories in the amalgamated draw can be included in the seeding according to the above mentioned "exempt seed" principle.

National Closed Championships may choose to implement their own criteria for seeding, in accordance with the regulations of the National Association where the tournament is held (see Appendix I).

30. Number of Seeds
The number of seeds shall be as follows:

For a draw of 128:	32 seeds
For a draw of 64:	16 seeds
For a draw of 48:	16 seeds
For a draw of 32:	8 seeds
For a draw of 24:	8 seeds
For a draw of 16:	4 seeds
For a draw of 8:	2 seeds

It is recommended that the tournament committee publish lists of seeded players prior to the draw being made.

31. Making a Draw
a) Seniors/Super-Seniors World Individual Championships
The Referee shall make the Draw for the singles events no earlier than three (3) days prior to the commencement of the Competition. Once the draw has been made there shall be no change unless a seeded player withdraws before the start of play or if the tournament committee is provided with information that clearly demonstrates that an adjustment is justified.

b) Grade 1-5 Events
Tournament organisers may make the draw up to fourteen (14) days prior to the start of the tournament and inform participants about their first scheduled match prior to their arrival on site. In all cases due notice must be given in the tournament fact sheet.
Once the draw has been made there shall be no change unless a seeded player withdraws before the start of play or if the tournament committee is provided with information that clearly demonstrates that an adjustment is justified.

c) If there are two players from the same National Association competing, they shall be drawn in different halves of the draw.

If three or four players from the same National Association are competing, they shall be drawn in separate quarters.

Whenever possible, competitors from the same country should not be allowed to meet in the first round.

32. Placing of Seeds

If there are two seeded players from the same National Association competing, they shall be drawn in different halves of the draw.
If three or four seeded players from the same National Association are competing, the first and second players shall be drawn as above and the third and fourth seeded player shall be drawn into the quarters which do not already contain one of that National Association's players.
This principle of separation of seeded players shall extend to cover all seeded players in the draw.

Taking into consideration the provisions above and of Rule 29 to 30, seeds shall be placed or drawn as follows:

1. Place seed 1 on line 1 and seed 2 on the bottom line of the draw.

2. To determine the placement of the remaining seeds, draw in pairs of two (seeds 3 and 4) a group of four (seeds 5-8), a group of eight (seeds 9-16) and a group of 16 (seeds 17-32) from top to bottom as follows:

Seed No.	16 draw (4 seeds)	24/32 draw (8 seeds)	48/64 draw (16 seeds)	96/128 draw (16 seeds)

33. Byes

In the event there are not enough competitors to fill the draw, then after the seeds are placed in the draw, the required number of byes shall be awarded to the highest seeds as a first priority and any remaining byes shall be drawn by lot in a manner so as to distribute them as evenly as possible throughout the sections of the draw.

For feed-in consolation draws byes shall be allocated to seeded players in descending order. Any remaining byes shall be allocated, starting at the extremes of the first quarter and the third quarter of the draw. The first bye goes on the first available, even-numbered line below the top line of the first quarter. The second bye goes on the first available odd-numbered line above the bottom line of the third quarter. The third bye goes on the next available even-numbered line below the top line of the first quarter. The fourth bye goes on the next available odd-numbered line above the bottom line of the third quarter, etc. If the first and third quarters are filled, byes are added by alternating between the second and fourth quarters using the same procedure.

34. Closing Date for Entries

It is recommended that the closing date for entries be set at least three weeks before the start of the tournament. Tournaments shall confirm acceptance of players well before the tournament begins so that the competitors have sufficient time to make travel arrangements.

All players shall be available to play at the advertised time and day of commencement and those required for qualifying shall be available to play on the previous days as requested. Any competitors not so available should withdraw from the tournament (see Rule 35 below).

Notwithstanding the above, the Referee shall whenever possible allow a player who is competing in the final of a tournament held the previous day a full day for travel and rest before he/she is obliged to play the first round, provided that the player has notified the Referee in advance.

Every evening the order of play for the following day shall be published and displayed at the venue and/or hotel or otherwise made available to the competitors.

It is each player's responsibility to ascertain his or her times of play. Players must report 15 minutes prior to the starting time.

35. Withdrawals

All withdrawals must be made in writing, by facsimile or by email. Players are advised to keep a paper copy of any withdrawal made. It is the responsibility of the sender to ensure that the withdrawal has been received.

36. Schedule of Play

It is recommended that a schedule of play be published in advance to avoid players arriving on site two or three days before they are required to play their first match. This should be kept up to date on the tournament website and players must be made aware of any changes.

37. Replacement of Seeds

Any vacancy created by the withdrawal of a seed prior to the release of the Order of Play for the first day of that Main Draw or 4.00 p.m. (1600 hours) on the day before the start of that Main Draw whichever is later shall be filled as follows:

- If the withdrawal is among seeds 1 to 2, the 3rd seed is moved into the open position and the 3rd position shall be filled by the 5th seed, the 5th position shall be filled by the 9th seed and the 9th position shall be filled by the 17th seed, the 17th position shall be filled by the next highest ranked player eligible to be seeded.

- If the withdrawal is among seeds 3 to 4, the 5th seed is moved into the open position and the 5th position shall be filled by the 9th seed, the 9th position shall be filled by the 17th seed and the 17th position shall be filled by the next highest ranked player eligible to be seeded.

- If the withdrawal is among seeds 5 to 8, the 9th seed is moved into the open position and the 9th position shall be filled by the 17th seed, the 17th position shall be filled by the next highest ranked player eligible to be seeded.

- If the withdrawal is among seeds 9 to 16, the 17th seed is moved into the open position and the 17th position shall be filled by the next highest ranked player eligible to be seeded.

- If the withdrawal is among seeds 16 to 32 it shall be filled by the next highest ranked player eligible to be seeded.

The position vacated by that next highest ranked player shall then be filled by the next player on the original entry list if prior to the commencement of the Qualifying competition or by the eligible Lucky Loser if after the commencement of the Qualifying competition.

Any vacancy created by the withdrawal of a seed which occurs after the release of the Order of Play for the first day of that Main Draw or 4.00 p.m. (1600 hours) on the day before the start of that Main Draw whichever is later up until the start of the first match of that event, shall be filled by the next highest ranked player in the main draw eligible to be seeded. The position vacated by that next highest ranked player shall then be filled by the next player on the original acceptance list if prior to the commencement of the Qualifying competition or by the eligible Lucky Loser if after the commencement of the Qualifying competition.

38. Suspension and Postponement

The chair umpire or the Referee may suspend a match temporarily due to darkness or conditions of the grounds or weather. Any such suspension by the chair umpire must be reported immediately to the Referee. The Referee must, however, make all decisions on the postponement of a match until a later day. Unless and until the Referee postpones a match, the players, chair umpire and all on-court officials must remain ready to resume the match.

Upon suspension of a match, the chair umpire shall record the time, point, game and set score, and the name of the server, the sides on which each player was situated and shall collect all balls in use for the match.

If suspension is due to darkness it should be after an even number of games have been played in the set in progress or at the end of a set. There shall be five (5) minutes of warm-up before a match. In the case of a suspended or postponed match, the period of warm-up shall be as follows:

0 – 15 minutes delay	-	no warm-up
more than 15 minutes, but less than 30 minutes	-	three (3) minutes of warm-up
30 or more minutes of delay	-	five (5) minutes of warm-up

39. Continuous Play

a) Between qualifying and main draw:

Other than in exceptional circumstances, no player shall be required to play his/her first round match in the singles main draw until at least twelve (12) hours after the completion of his/her final qualifying match.

b) Between matches:

Except when weather or other unavoidable circumstances causes schedule disruption, players shall be scheduled for a maximum of two matches per day, which shall not be scheduled less than twelve (12) hours after completion of the last match of such player on the preceding day or round.

Whenever it is necessary to schedule more than one match in the same day such player shall, unless he/she is in a singles and doubles final to be played consecutively, be given the following minimum rest periods:

i) played less than one (1) hour – half (½) an hour rest
ii) played between one (1) hour and one and one half (1 ½) hours – one (1) hour rest
iii) played more than one and one half (1 ½) hours – one and one half (1 ½) hours rest

If play has been interrupted for thirty (30) minutes or more due to rain or other warranted delay, the length of match time would be assessed from the moment play resumes following the delay.

If play is interrupted for less than thirty (30) minutes, match time would be considered continuous from the moment the first ball of the match was put into play.

The above rule applies to main draw matches and when possible to consolation matches.

c) Between sets:

A ten-minute rest period shall be taken after the second set unless the players concerned agree otherwise. Players may leave the court during the ten-minute rest period. Players may interact with their support team members and tournament visitors during the ten minute rest period.

The above does not apply in the case of a deciding ten (10) point tie-break game, in which case play should be continuous.

When a ten-minute rest period is taken, the players concerned shall immediately inform the chair umpire, or where there is no chair umpire, the Referee or roving umpire, so

that he/she may determine the exact time for play to resume. Any failure by one or more of the players to return and commence play at the agreed time shall subject the player to Time Violations as set out in the Code of Conduct.

40. Duties of the Referee

The Referee shall decide on any on-site disputes or interpretation of the Rules of Tennis. He or she shall also be the final arbiter for penalties imposed under the Code of Conduct (see Section V) unless the Code provides for an appeal to the ITF for that offence.

At the Seniors/Super-Seniors World Individual Championships the ITF Representative shall be the final on-site arbiter for any appeal against a decision of the Referee, other than the subjects of the Rules of Tennis or the Code of Conduct.

42. ITF Representatives

For the venue staging the Seniors/Super-Seniors World Individual Championships, the ITF shall appoint one or more Representative(s) who shall arrive at least one day prior to the start of the Competition or as available depending on attendance at the Team Competition.

The ITF accepts that certain tournaments may have existing agreements in place with ball manufacturers and in such circumstances, the ITF will waive the right to require the use of the Official Ball at these tournaments for the duration of the existing agreement. Should the ITF inform a tournament on the ITF Seniors Circuit of the intention to use an Official Ball, that tournament agrees that once their current agreement has expired, no new agreement with a ball manufacturer will be entered into.

SECTION V
CODE OF CONDUCT

ITF SENIOR CIRCUIT CODE OF CONDUCT

I. GENERAL

A. Purpose
The International Tennis Federation (ITF) promulgates this ITF Code of Conduct (Code) in order to maintain fair and reasonable standards of conduct by any seniors players and any coach, trainer, agent, medical or para-medical personnel and/or family member, tournament guest or other similar associate of any player (together "Player Support Team Members) at all tournaments, continental championships, international seniors team and individual competitions included in the ITF Seniors Calendar, and to protect their respective rights, the rights of the public and the integrity of the Sport of Tennis. All references to the International Tennis Federation or the ITF shall mean the ITF limited.

B. Applicability
This Code is applicable as stated herein to ITF Seniors events.

II. PLAYER ENTRY OFFENCES

A. Applicability
This Article is applicable as stated herein to the ITF Seniors events. Any reference to players in this Code shall apply to all team members including the captain where appropriate. All players and teams shall abide by the Rules for entries set forth in the Regulations. Any National Association that withdraws from the Team Championships, other than as provided for in the Regulations, will be subject to the penalties given in Section II, Rule 15 of these Regulations.

B. Entry Offences
i) One Tournaments Per Week
A player may not compete in more than one tournament in the same week. Any player found to be in violation of this rule will be subject to the penalties described in Rule 24, Section I, and to any further penalty according to the ITF Code of Conduct

ii) Withdrawal
A player may withdraw from a tournament prior to the scheduled start of the singles main draw. Withdrawals should be made in writing, by facsimile or email. Players are advised to keep a copy of any withdrawal made.

iii) No Show
Any player who fails to sign-in shall be considered a 'no-show' and shall be defaulted by the Referee, and shall be penalized under the Code of Conduct.

For all of the above, in circumstances that are flagrant and particularly injurious to the success of the tournament, or are singularly egregious, a single violation of this Section shall also constitute the Major Offence of "Aggravated Behaviour".

III. PLAYER ON-SITE OFFENCES

A. General
Every player, team captain, team members/extra players, coach, trainer, relative or official attached to a player or any participating team, as well as any other player support team member, shall during all matches and at all times while within the precincts of the site (including the official tournament hotel) of an ITF Seniors event, conduct himself/herself in a professional manner. The provisions hereinafter set forth shall apply while within the precincts of each such site.

B. Punctuality
Matches shall follow each other without delay in accordance with the announced order of play. The order of play shall be posted in a highly visible place in a general player's area as designated by the Referee.
Matches shall be called in accordance with the order of play using all available and reasonable means. Players shall be ready to play when their matches are called.
Any player not ready to play within fifteen (15) minutes after his/her match is called shall be defaulted unless the Referee in his sole discretion, after consideration of all relevant circumstances, elects not to declare a default.

C. Dress and Equipment
Every player and team captain shall dress and present himself/herself for play in a professional manner. Clean and customarily acceptable tennis attire shall be worn.
Any player who violates this Section may be ordered by the Chair Umpire or Referee to change his/her attire or equipment immediately. Failure of a player to comply with such order may result in an immediate default. (The ITF reserves the right to interpret the following rules so as to give effect to the intent and purposes of these Regulations).

1. Unacceptable Attire
Inappropriate attire shall not be worn during a match (including the warm-up).

a) Shoes
Players are required to wear tennis shoes generally accepted as proper tennis attire. Shoes shall not cause damage to the court other than what is expected during the normal

course of the match or practice. Damage to a court may be considered as physical or visible, which may include a shoe that leaves mark beyond what is considered acceptable. The ITF supervisor has the authority to determine that a shoe does not meet the criteria and may order the player to change.

i) Grass Court Shoes
At ITF Seniors Circuit tournaments played on grass court, no shoes other than those with rubber soles, without heels, ribs, studs or coverings, shall be worn by players. Shoes with pimples or studs around the outside of the toes shall not be permitted. The foxing around the toes must be smooth.
The Referee has the authority to determine that a tennis shoe's sole does not conform to such customs and standards and can prohibit its use at ITF Junior Circuit events played on grass courts.

ii) Clay Court Shoes
Players are required to wear tennis shoes generally accepted for play on clay courts or granular surfaces. The Referee has the authority to determine that a tennis shoe's sole does not conform to such customs and standards and can prohibit its use at ITF Junior Circuit events played on clay courts.
Grass court shoes shall not be worn during a match on clay courts.

2. Identification

i) Doubles Teams
Ideally members of a doubles team will be dressed in substantially the same colours.

D. Time Violation/Delay of Game
Following the expiration of the warm-up period play shall be continuous and a player shall not unreasonably delay a match for any cause.
A maximum of twenty (20) seconds shall elapse from the moment the ball goes out of play at the end of the point until the time the ball is struck for the first serve of the next point. If such serve is a fault then the second serve must be struck by the server without delay.
When changing ends a maximum of ninety (90) seconds shall elapse from the moment the ball goes out of play at the end of the game until the time the first serve is struck for the next game. If such first serve is a fault the second serve must be struck by the server without delay. However, after the first game of each set and during a tie-break, play shall be continuous and the players shall change ends without a rest period.
At the conclusion of each set, regardless of the score, there shall be a set break of one hundred and twenty (120) seconds from the moment the ball goes out of play at the end of the set until the time the first serve is struck for the next set.
If a set ends after an even number of games, there shall be no change of ends until after the first game of the next set.

The receiver shall play to the reasonable pace of the server and shall be ready to receive within a reasonable time of the server being ready.
The first violation of this Section shall be penalised by a Time Violation warning and each subsequent violation shall be penalised by the assessment of one Time Violation point penalty.
When a violation is a result of a medical condition, refusal to play or not returning to the court within the allowed time a Code Violation (Delay of Game) penalty shall be assessed in accordance with the Point Penalty Schedule.

E. Audible Obsecenity
Players shall not use audible obscenity within the precinct of the tournament site. If such violation occurs during a match (including the warm-up), the player shall be penalised in accordance with the Point Penalty Schedule hereinafter set forth. In circumstances that are flagrant and particularly injurious to the success of a tournament, or are singularly egregious, a single violation of this Section shall also constitute the Major Offence of "Aggravated Behaviour" and shall be subject to the additional penalties hereinafter set forth.
For the purposes of this Rule, audible obscenity is defined as the use of words commonly known and understood to be profane and uttered clearly and loudly enough to be heard by Court Officials or spectators.

F. Visible Obscenity
Players shall not make obscene gestures of any kind within the precincts of the tournament site. If such violation occurs during a match (including the warm-up), the player shall be penalised in accordance with the Point Penalty Schedule hereinafter set forth. In circumstances that are flagrant and particularly injurious to the success of a tournament, or are singularly egregious, a single violation of this Section shall also constitute the Major Offence of "Aggravated Behaviour" and shall be subject to the additional penalties hereinafter set forth.

APPENDIX III
MEDICAL AND
TOILET /CHANGE OF ATTIRE BREAKS

Medical

a. Medical Condition

A medical condition is a medical illness or a musculoskeletal injury that warrants medical evaluation and/or medical treatment by the Physiotherapist/Athletic Trainer (also known as the Primary Health Care Provider) during the warm-up or the match.

- Treatable Medical Conditions
  - Acute medical condition: the sudden development of a medical illness or musculoskeletal injury during the warm-up or the match that requires immediate medical attention.
  - Non-acute medical condition: a medical illness or musculoskeletal injury that develops or is aggravated during the warm-up or the match and requires medical attention at the changeover or set break.

- Non-Treatable Medical Conditions
  - Any medical condition that cannot be treated appropriately, or that will not be improved by available medical treatment within the time allowed.
  - Any medical condition (inclusive of symptoms) that has not developed or has not been aggravated during the warm-up or the match.
  - General player fatigue.
  - Any medical condition requiring injections, intravenous infusions or oxygen, except for diabetes, for which prior medical certification has been obtained, and for which subcutaneous injections of insulin may be administered.

b. Medical Evaluation

During the warm-up or the match, the player may request through the Chair Umpire for the Physiotherapist/Athletic Trainer to evaluate him/her during the next change over or set break. Only in the case that a player develops an acute medical condition that necessitates an immediate stop in play may the player

request through the Chair Umpire for the Physiotherapist/Athletic Trainer to evaluate him/her immediately.

The purpose of the medical evaluation is to determine if the player has developed a treatable medical condition and, if so, to determine when medical treatment is warranted. Such evaluation should be performed within a reasonable length of time, balancing player safety on the one hand, and continuous play on the other. At the discretion of the Physiotherapist/Athletic Trainer, such evaluation may be performed in conjunction with the Tournament Doctor, and may be performed off-court.*

If the Physiotherapist/Athletic Trainer determines that the player has a non-treatable medical condition, then the player will be advised that no medical treatment will be allowed.

c. Medical Time-Out

A Medical Time-Out is allowed by the ITF Supervisor/Referee or Chair Umpire when the Physiotherapist/Athletic Trainer has evaluated the player and has determined that additional time for medical treatment is required. The Medical Time-Out takes place during a change over or set break, unless the Physiotherapist/Athletic Trainer determines that the player has developed an acute medical condition that requires immediate medical treatment.

The Medical Time-Out begins when the Physiotherapist/Athletic Trainer is ready to start treatment. At the discretion of the Physiotherapist/Athletic Trainer, treatment during a Medical Time-Out may take place off-court, and may proceed in conjunction with the Tournament Doctor.*

The Medical Time-Out is limited to three (3) minutes of treatment. However, at non professional events the ITF Supervisor/Referee may extend the time allowed for treatment if necessary.

A player is allowed one (1) Medical Time-Out for each distinct treatable medical condition. All clinical manifestations of heat illness shall be considered as one (1) treatable medical condition. All treatable musculoskeletal injuries that manifest as part of a kinetic chain continuum shall be considered as one (1) treatable medical condition.

Muscle Cramping: A player may receive treatment for muscle cramping only during the time allotted for change of ends and/or set breaks. Players may not receive a Medical Time-Out for muscle cramping.

In cases where there is doubt about whether the player suffers from an acute medical condition, non-acute medical condition inclusive of muscle cramping, or non-treatable medical condition, the decision of the Physiotherapist/Athletic Trainer, in conjunction with the Tournament Doctor, if appropriate, is final. If the Physiotherapist/Athletic Trainer believes that the player has heat illness, and if muscle cramping is one of the manifestations of heat illness, then the muscle cramping may only be treated as part of the recommended treatment by the Physiotherapist/Athletic Trainer for the heat illness condition.

Note:
A player who has stopped play by claiming an acute medical condition, but is determined by the Physiotherapist/Athletic Trainer and/or Tournament Doctor to have muscle cramping, shall be ordered by the Chair Umpire to resume play immediately.
If the player cannot continue playing due to severe muscle cramping, as determined by the Physiotherapist/Athletic Trainer and/or Tournament Doctor, he/she may forfeit the point(s)/game(s) needed to get to a change of end or set-break in order to receive immediate evaluation, and treatment if time allows. There may be a total of two (2) additional change of ends treatments for muscle cramping in a match, not necessarily consecutive.
If it is determined by the Chair Umpire or ITF Supervisor/Referee that gamesmanship was involved, then a Code Violation for Unsportsmanlike Conduct could be issued.

A total of two (2) consecutive Medical Time-Outs may be allowed by the ITF Supervisor/Referee or Chair Umpire for the special circumstance in which the Physiotherapist/Athletic Trainer determines that the player has developed at least two (2) distinct acute and treatable medical conditions. This may include: a medical illness in conjunction with a musculoskeletal injury; two or more acute and distinct musculoskeletal injuries. In such cases, the Physiotherapist/Athletic Trainer will perform a medical evaluation for the two or more treatable medical conditions during a single evaluation, and may then determine that two consecutive Medical Time-Outs are required.

d. Medical Treatment

A player may receive on-court medical treatment and/or supplies from the Physiotherapist/Athletic Trainer and/or Tournament Doctor during any changeover or set break. As a guideline, such medical treatment should be limited to two (2) changeovers/set breaks for each treatable medical condition, before or after a Medical Time-Out, and need not be consecutive. Players may not receive medical treatment for non-treatable medical conditions.

e. Penalty

After completion of a Medical Time-Out or medical treatment, any delay in resumption of play shall be penalized by Code Violations for Delay of Game.
Any player abuse of this Medical Rule will be subject to penalty in accordance with the Unsportsmanlike Conduct section of the Code of Conduct.

f. Bleeding

If a player is bleeding, the Chair Umpire must stop play as soon as possible, and the Physiotherapist/Athletic Trainer must be called to the court by the Chair Umpire for evaluation and treatment. The Physiotherapist/Athletic Trainer, in conjunction with the Tournament Doctor if appropriate, will evaluate the source of the bleeding, and will request a Medical Time-Out for treatment if necessary.
If requested by the Physiotherapist/Athletic Trainer and/or Tournament Doctor, the ITF Supervisor/Referee or Chair Umpire may allow up to a total of five (5) minutes to assure control of the bleeding.

If blood has spilled onto the court or its immediate vicinity, play must not resume until the blood spill has been cleaned appropriately.

g. Vomiting

If a player is vomiting, the Chair Umpire must stop play if vomiting has spilled onto the court, or if the player requests medical evaluation. If the player requests medical evaluation, then the Physiotherapist/Athletic Trainer must determine if the player has a treatable medical condition, and if so, whether the medical condition is acute or non-acute.

If vomiting has spilled onto the court, play must not resume until the vomit spill has been cleaned appropriately.

h. Physical Incapacity

During a match, if there is an emergency medical condition and the player involved is unable to make a request for a Physiotherapist/Athletic Trainer, the Chair Umpire shall immediately call for the Physiotherapist/Athletic Trainer and Tournament Doctor to assist the player.

Either before or during a match, if a player is considered unable physically to compete, the Physiotherapist/Athletic Trainer and/or Tournament Doctor should inform the ITF Supervisor/Referee and recommend that the player is ruled

unable to compete in the match to be played, or retired from the match in progress.

The ITF Supervisor/Referee shall use great discretion before taking this action and should base the decision on the best interests of non professional tennis, as well as taking all medical advice and any other information into consideration.

The player may subsequently compete in another event at the same tournament if the Tournament Doctor determines that the player's condition has improved to the extent that the player may safely physically perform at an appropriate level of play, whether the same day or on a later day.

* It is recognized that national laws or governmental or other binding regulations imposed upon the event by authorities outside its control may require more compulsory participation by the Tournament Doctor in all decisions regarding diagnosis and treatment.

TOILET /CHANGE OF ATTIRE BREAK

A player is allowed to request permission to leave the court for a reasonable time for a toilet break / change of attire break (women's matches).
Toilet breaks should be taken on a set break. Change of attire (women's matches) breaks must be taken on a set break.
In women's singles events, a player is entitled to two (2) breaks during a match. In men's singles events, a player is entitled to one (1) toilet break.
In a doubles match, each team is entitled to a total of two (2) breaks.
If partners leave the court together, it counts as one (1) of the team's authorised breaks.
These breaks may be taken for toilet visits, change of attire (women' matches), or both, but for no other reason whatsoever.
Any time a player leaves the court for a toilet break, it is considered one of the authorised breaks regardless of whether or not the opponent has left the court. Any toilet break taken after a warm-up has started is considered one of the authorised breaks. Additional breaks will be authorised, but will be penalised in accordance with the point penalty schedule if the player is not ready to play within the allowed time.
The Referee shall have the authority to deny a player permission to leave the court during a match for a toilet and/or change of attire break if it is interpreted by the Referee as gamesmanship and/or flagrant abuse of the Rules.
A player should not take a toilet/change of attire break and a medical time out consecutively unless approved by the Referee.
A player may change her attire during a toilet break.
Any player abuse of this rule will be subject to penalty in accordance with the Unsportsmanlike Conduct section of the Code of Conduct.
