

REVIEW OF SELECTION CRITERIA

At the Presidents Meeting of January 15th and at the following executive meeting on the same day, it was decided that a review of the present selection criteria will be undertaken.

The present Selection Committee has been asked to review the criteria. The final submission from the selectors should be completed by the end of May and during June, after consultation with representatives of Tennis Australia, the executive will prepare the final statement.

The revised Selection Criteria should be published by early July.

Any player wishing to make a submission or to make comment may do so by writing to me at thancy@netspace.net.au or to send to PO BOX 2267, RINGWOOD NORTH, 3134, VICTORIA. All submissions and comments will be made available to the selectors and the executive.
